

STEM OPEN HOUSE

**Thursday, May 11
6:30 - 7:30 p.m.
First Floor Meeting Room,
Danville Public Library**

Major Art Urban, Director of Aerospace Education for the Illinois Wing of the Civil Air Patrol, will conduct a STEM Open House for **teachers, principals, librarians, home school parents, youth workers, and scouting leaders.**

The open house is an informational meeting to show and tell about STEM (Science, Technology, Engineering, and Mathematics) kits available from the Civil Air Patrol for no cost to Aerospace Education Members. Learn what an Aerospace Education Member is and about the free curriculum materials they receive.
